Education

LeelaBen Dasharathbhai Ramdas Patel(LDRP-ITR), Gandhinagar

Bachelor of Technology in Computer Engineering

2023 – 2027

CGPA: 7.64 (Till 5th Sem)

Sardar Patel School, Halvad

Physics, Chemistry, Maths

April 2022 – July 2023

percentage: 74.63

Virtual InterShip

AI/ML Intern

Jan.- Feb. 2026

AICTE – Edunet Foundation (AI/ML 6 Week-Internship Program) | 2026

- Learned fundamentals of **Artificial Intelligence and Machine Learning**.
- Worked with **Python, NumPy, Pandas, Matplotlib, and Seaborn** for basic data analysis.
- Gained practical exposure to **ML concepts and model building**.

Projects

Machine Learning & Deep Learning Projects

Movie Recommendation System

- Built a **machine-learning-based movie recommendation system** using the **TMDB dataset** with **content-based filtering**.
- Performed data preprocessing using **Pandas and NumPy** and trained the model with **Scikit-learn**.
- Developed a **Streamlit UI** and integrated the **TMDB Movie Poster API**; visualized results using **Matplotlib and Seaborn**.

Credit Card Fraud Detection

- Developed a **fraud detection system** using **Machine Learning and ANN-based Deep Learning** techniques.
- Handled data preprocessing, feature scaling, and class imbalance using **Pandas and NumPy**.
- Trained an **Artificial Neural Network (ANN)** and evaluated performance using standard metrics; visualized results with **Matplotlib and Seaborn**.

Python Backend Project

Digital Pharmacy (Medical Store Management System)

- Developing a **medical store management system** using **Python, HTML, CSS, and JavaScript**.
- Managing **medicine inventory, billing, and customer records** using **MySQL (phpMyAdmin)**.
- Focusing on **secure data handling** and efficient backend logic.

Technical Skills

- **Languages:** C, C++, Java, SQL
- **Web Development:** HTML, CSS, JavaScript
- **Data Science:** Pandas, NumPy, Matplotlib, Seaborn
- **Artificial Intelligence & Machine Learning:** AI, Machine Learning, Deep Learning (Basic)
- **Technologies & Frameworks:** Git, GitHub, VS Code, Vercel

Extracurricular/Certification course

- **NPTEL| PYTHON FOR DATA SCIENCE - 68% (ELITE)**
