Address: B-7, Shraddha Park, Mahavir Nagar,
Himmatnagar

Portfolio: -

LDRP INSTITUTE OF TECHNOLOGY AND RESEARCH

Student Projects | 2023 – Present

- Designed and implemented small-scale data-driven systems as part of academic projects, focusing on improving efficiency and usability.
- Worked in a team environment to develop scalable solutions using Python and Data Science libraries, ensuring proper documentation and problem-solving.
- Applied supervised machine learning techniques to real datasets, gaining hands-on experience in predictive modeling and data visualization.

ACADEMIC HISTORY

TAPOVAN VIDHYALAY, DHRANGADHRA | 2021

Standard 10th: 91.5%

SARDAR PATEL SCHOOL, HALVAD | 2023

Standard 12th: 64%

GUJCET Exam Result: 68.31 percentile

LDRP ITR College | 2023-2027

Bachelor of Science in Computer Engineering

CGPA: 7.59

CERTIFICATE

Python for Data Science - NPTEL (Government of India)

Completed with a passing score of 68%
